

NWT Construction Ltd. Environmental Policy

NWT Construction Ltd. recognizes the link between environmental protection and our long-term economic success. With this knowledge in mind, we will be a responsible steward of resources and make a commitment to continuously improve our environmental effectiveness and performance.

In delivering on this commitment NWT Construction Ltd. will:

- Comply with applicable environmental laws and regulations.
- Commit to the use of processes, practices, techniques, materials, products, services or energy to avoid, reduce or control pollution.
- Regularly evaluate our activities and measure our environmental performance against established goals.
