

Safety Policy

NWT Construction Ltd.

NWT Construction Ltd. is committed to the protection from accidental loss of all its resources, including employees and physical assets.

In fulfilling this commitment to protect both people and property, management will provide and maintain a safe and healthful work environment and will strive to eliminate accidents or personal injury and illness.

All employees will be equally responsible for minimizing accidents within our facilities. Safe work practices and procedures are clearly defined in the Safety Manual for all employees to follow.

Accident loss can be controlled through good management in combination with active employee involvement. Safety is the direct responsibility of all managers, supervisors, and employees.

All management functions will comply with corporate safety requirements as they relate to planning, operation, and maintenance of facilities and equipment. All employees are expected to perform their jobs properly in accordance with established procedures and safe work practices.

NWT Construction Ltd. is committed to making safety a way of life

The safety information in this policy does not take precedence over Occupational Health & Safety Regulations. All employees should be familiar with the OH&S Act and Regulations.
